

# One Product, Over 300 Applications

Choose the Only Fully Automated, Portable & Scalable Remote Racking System

Why deal with the operating challenges and high maintenance costs of a clumsy, stationary remote circuit breaker racking system? Protect your people and assets with the compact, portable, scalable, and universal Safe-T-Rack® solution.

Installed in all 50 states, Remote Solutions' patented system offers:

- Best-in-class choice for Power Utilities, Mining, Petrochemicals, Transportation, etc.
- Compatible with low and medium voltage switchgear (480V to 38kV)
- Alternative to arc flash protection garments
- Mitigates hazards per NFPA 70E
- Working distance up to 150 feet
- Eliminates risk of misalignment and damage to switchgear
- Easy to install, operate and maintain
- Two-year warranty standard, extended warranties available
